10. Student feedback mechanism on Institutional Governance/faculty Performance :

The responsibility has been fixed on HODs to get the feedback from the students and, if required, he/she may sit in the classroom amongst the teachers and students to analyze the proper teaching and the manner by which the materials are presented to the students. In every week, the HOD of each department convenes the meeting with their faculty members and discusses in detail about the feedback of students, completion of course, quality improvement in teaching and finally submits the weekend report to the Dean, Academic Affairs. The Dean (Academic) reviews the detail academic information collected from the HODs in a weekly basis and presents his report in the academic advisory meeting. Apart from that, a student grievance cell concerned with the academic affairs has been attached to the Dean (Academic).

11. Grievance redressal mechanism for faculty, staff and students :

A committee has been constituted under the Head of a Senior Professor to look into the grievance of faculty, staff and students. Principal keeps regular contact with the Head of the Committee and whenever required the Advisory Body and finally the Governing Body helps to sort out the problem.
