## BHADRAK INSTITUTE OF ENGINEERING AND TECHNOLOGY, BARAPADA

Dear Final Year Students

As many students across the branches had met our Director, requesting to revoke the order for campus drive cancellation for 2013 pass out students, We are pleased to inform you this has been taken into consideration and I have advised T& P Team to arrange Campus Recruitment Drives as usual. But all success will happen only when you participate in Campus Placement Drives and try to crack few of those. Instead of Being Judgmental put your effort and get to know the experience of Campus Interviews which will help you in long run of your life. I wish you Best of Luck. (By Order- Principal, BIET)
